

November 8, 2023

Joanne Kurtzberg, MD
Clinical Program Director
Duke University Medical Center Adult and Pediatric Blood and Marrow Transplant Program
2400 Pratt Street
DUMC 3961
Durham, North Carolina 27710

Dear Dr. Kurtzberg,

The Duke University Medical Center Adult and Pediatric Blood and Marrow Transplant Program, located in Durham, North Carolina is currently accredited by the Foundation for the Accreditation of Cellular Therapy (FACT). Due to pandemic-related delays outside of the organization's control, the accreditation renewal process has not been completed. The organization is in good standing and is in the process of renewing its FACT accreditation for:

- Adult and Pediatric Allogeneic and Autologous Hematopoietic Progenitor Cell Transplantation
- Immune Effector Cellular Therapy
- Marrow and Peripheral Blood Cellular Therapy Product Collection
- Cellular Therapy Product Processing with Minimal and More than Minimal Manipulation

This organization's current accreditation has been extended to June 23, 2024. FACT-accredited organizations are listed on the FACT website at <https://accredited.factglobal.org/>.

Thank you for your participation in FACT accreditation and your commitment to providing quality care and laboratory services in cellular therapy. Please contact us at any time if there are questions or concerns, or if you need additional information or assistance.

Sincerely,

Phyllis I. Warkentin, MD
FACT Chief Medical Officer
